## Horticulture and FSP

Judy Newman

Judy lives in Menomonee, Wisconsin and it seems she has been a Garden Club member forever (since 1971)... serving as Wisconsin State President, Central Region Director, and many chairmanships along the way. She is a Master Flower Show Judge with a Horticulture specialty. Also a 5 Star achiever of all the NGC Schools. Currently she is the NGC Environmental Schools Chairman. In order for her to accomplish all she does, she says she loves to be busy all the time. Her Horticulture subjects will be Forever Conifers and Merry Marigolds plus Flower Show Procedure

## Design

Claudia Chopp

Claudia is a Master Flower Show Judge. She is active in Ikebana constantly studying in the Ikenobo School. As President of (NFA) National Flower Arrangers, Claudia had the opportunity to study International designs and techniques. She has represented the USA in 2 WAFA (World Association of Flower Arrangers) seminars. Currently she is an officer of CFAA (Creative Flower Arrangers of the Americas) having demonstrated/taught design techniques and presented design programs.

Punta Gorda, Florida is her Winter home and Door County, Wisconsin is home in the summer. Both places can take credit for stimulating some of Claudia's creativity.
