

What do I say when calling a food pantry??

Hi,

My name is _____.

I'm a member of _____ Garden Club. Most of our members live in and garden in the _____ area.

I'm calling because we are participating in a Michigan Garden Club project called "Gardening with Purpose" and we would like to donate fresh fruits and vegetables from our gardens to your food pantry. Your pantry is listed in a directory of locations that accepts produce. The directory was put together to help the club and their members find pantries so we could share our bounty with others in our community.

...

What is the best day/time to deliver to you?

Are there any packaging or labeling requirements that we should know?

If your pantry is not in need of the produce, can you recommend a pantry that is?

Thanks!
