### Speakers:

**Wes Alexander:** “Water Conservation and Growing Plants with Drip Irrigation”. Wes is a crop scientist, with a degree in entomology, beekeeper and retired farmer. The lecture will begin at 5:15pm.

**Bevin Cohen:** Discover how to “Plan, Plant and Grow your Most Productive Garden Ever! Learn from Bevin’s decades of growing experience, including tips on soil health, seed starting and transplanting, mulching and weeding and when to harvest your perfect veggies, flowers, and herbs. Bevin is an award-winning author, herbalist, owner of Small House Farm and host of Seeds & Weeds podcast. Bevin's books will be available for purchase after the lecture. The lecture will begin at 6:45 pm.
