

Planning Steps for a Memorial Dedication

Obtain guidelines and order forms from the NGC document located at <https://migardenclubs.org/blue-and-gold-star-memorials>.

Organize a committee. Select a chairperson and your site. Choose a marker: Blue Highway; Blue or Gold Memorial; Blue or Gold By-Way. If you choose a By-Way marker, consider dedicating both a Blue and Gold Star marker. Allow *seven* months for your marker to be delivered. Mail the official order application to Trish Payne with a check payable to Sewah Studios. Open and inspect the marker as soon as it is received.

NGC guidelines provide planning, installation, and dedication suggestions for your event. Supplemental MGC guidelines are located at <https://migardenclubs.org/wp-content/uploads/2024/03/MGC-Dedication-Guidance-April-2024.pdf>

Plan invitations, program, reception, photos, etc.

If you would like an MGC Board member or the Blue and Gold Star Chair at your dedication, please engage him/her directly.

History

Based on the original Blue Star Flag, introduced during WW I and widely displayed in homes during WW II, the star became a standard symbol for National Garden Clubs' Memorial program in 1945.

The first Memorials paid tribute to the Nation's Armed Forces who served in WW II.

Through the years, the program expanded and today:

- Pays tribute to all men and women who have served, are serving, or will serve in the Armed Forces
- Honors families who have lost a loved one in service to our country

The Memorials are a visible reminder of our love of gardening and our love and support for the Armed Forces of the United States.
