

**Michigan Garden Clubs, Inc.
2026 Annual Conference Sponsorship &
Advertising Opportunity**

The Michigan Garden Clubs, Inc. will hold their 95th annual conference at the Doubletree Hotel in Ann Arbor, Michigan on June 7 & 8, 2026. This event attracts hundreds of gardening enthusiasts from across the state.

Our featured speaker is Bonnie Satterthwaite representing Espoma, a National Garden Clubs, Inc partner, presenting "There was No Miracle Grow in the Garden of Eden", focusing on Organic Gardening. Other speaker presentations will include Pollinator Gardens, "need to know" information on Invasive plants and animals and Landscape Design.

A NGC Standard Flower Show will be a unique feature of this Conference that is open to all garden club members.

The mission of Michigan Garden Clubs, Inc., (MGC) is to provide education, resources, and network opportunities for its members to promote the love of gardening, floral and landscape design and environmental responsibility. We have 134 member clubs and approximately 4800 members. MGC is a member of Central Regions Garden Clubs, Inc. and National Garden Clubs, Inc. (NGC)

This conference is being hosted by District 2A whose 14 clubs and 391 members spend countless hours on community beautification, education, and gardening projects throughout the counties of Hillsdale, Jackson, Lenawee, Monroe and Washtenaw.

In addition MGC:

- Provides over \$24,000 annually in scholarships for students pursuing related curricula at all fifteen public universities in Michigan.
- Sponsors over 100 Blue and Gold Star Memorials that are located around the state.
- Provides grants to member clubs across the state to support Blue and Gold Star Veterans Memorials, Pollinator Gardens and Youth Educational Programs.
- Partners with the USFS to support the Loda Lake National Wildflower Sanctuary the only one in the National Forest System. This partnership was initiated between the two groups in 1949.
- Sponsors the annual NGC Youth Contests Smokey Bear, Woodsy Owl and Youth Sculpture through clubs across the state.
- Sponsors schools in Environmental, Gardening, Floral Design and Landscape Design for members and non-members around the state.
- Is a proud partner of HOMEGROWN NATIONAL PARK; a grassroots effort to restore biodiversity and ecosystems.

We invite you to support our local clubs as they host this 2026 Annual Conference, "Together We Grow"!
